Shoreview Committee/Commission Vacancies for 2017

Several citizen groups advise the City Council on a variety of issues, and they play a significant role in helping to make decisions that affect the lives of Shoreview residents. The following

committees and commissions have vacancies for 2017:

- Environmental Quality Committee
- Human Rights Commission
- Planning Commission
- Public Safety Committee

Interested in serving? Please see more details [here](#). The 2017 application deadline is next Friday, Dec. 15, 2016.

City Council

The City Council took the following actions at their Dec. 5, 2016 meeting:

- The Council approved a summary ordinance for the ordinance establishing new tobacco regulations. This simply summarizes the ordinance that was passed by the City Council at their November 19 meeting and was prepared to save on publication costs.
- The Council approved a vacation request for a 12-foot walkway easement adjacent to 1045 Island Lake Avenue. The applicants are in the process of demolishing the existing home and plan to build a new home on the property. The additional lot area gained from the vacation will provide them with more flexibility in designing their home, specifically related to the side yard setback.
- The Council held a public hearing on the 2017 budget and tax levy. The proposed 2017 tax levy increases 3.92%. The majority of the General Fund levy increase for 2017 is related to public safety costs. The Council will adopt the final 2017 budget and tax levy at the December 19 meeting. More information on the budget, including the budget summary, can be found [here](#).
